

How to Register Your Card

Complete these steps in a web browser on your computer.

1. Open the website <https://seges.hcp.print.konicaminolta.eu> in a browser on your computer.
2. Sign in with your username and password.
3. In the menu on the left, select **My Profile**.
4. Select the **Generate** button next to One-time password.
5. Note the generated code and go to the nearest printer/copier.
6. Hold your card against the card reader on the printer/copier.
7. Enter your username and the generated code.

Done: Your card/badge and SafeQ user account are now linked.
